

Choosing a Solid Insurance Provider

Connect with Zurich's Global Strength and Strong Financial Rating

When you conduct business with US Assure for the Builders Risk Plan, you're also connecting with Zurich Insurance, an insurance provider with a strong financial rating.* At the heart of Zurich's philosophy is the drive to help customers understand, manage and mitigate risk. Zurich believes their customers should have the right protection for the things they value, and Zurich leverages its collective experience to help make that a reality.

About Zurich in North America

- Individual member companies' financial strength rating of A+ by A.M. Best*
- One of the leading providers of builders risk insurance
- 100+ years of experience in the United States
- Substantial natural catastrophe capacity
- Domestic and global coverage capabilities
- In-house customer care center providing 24/7 claims support
- Countrywide disaster recovery assistance from qualified vendors
- Prompt response to severe incidents, after-hours services
- Dedicated construction risk engineers with extensive industry knowledge
- Variety of active prevention and risk management programs

Not only does Zurich value its customers, it extends its passion for others by making a lasting impact in the communities where its employees live and work. Each year, Zurich coordinates volunteer opportunities for its employees, resulting in thousands of hours donated to nonprofit organizations.

If your clients need coverage throughout the United States, Zurich stands ready to help protect them from risk. This is an important consideration for agents with clients who have a multiple-state presence because US Assure and Zurich can provide a reliable and consistent relationship. This is the kind of stability you and your clients can count on today, and into the future.

As Zurich's exclusive administrator for the nationwide builders risk program, US Assure offers competitive compensation and access with no minimum commitment. US Assure holds underwriting authority for residential and commercial course of construction projects up to \$50 million in value with direct access to Zurich for projects of even higher value. Whether the project is new construction, remodeling or installation, the US Assure Builders Risk Plan insured by Zurich can help you provide the tailored insurance protection your client needs for any project type or value.

US Assure is an independent, third-party administrator managing policy processing for certain builders risk policies issued by Zurich and its affiliated companies. US Assure does business as US Assure, Inc. and US Assure Insurance Services of Florida, Inc. In California, US Assure operates as InLink Insurance Services (CA license # OD44490).

This is intended as a general description of certain types of insurance and services available to qualified customers. The policy is the contract that specifically and fully describes your coverage. The description of the policy provisions gives a broad overview of coverages and does not revise or amend the policy.

Coverages underwritten by individual member companies of Zurich in North America, including Zurich American Insurance Company. Certain coverages not available in all states. Some coverages may be written on a non-admitted basis through licensed surplus lines brokers. Risk Engineering services are provided by The Zurich Services Corporation.
