

Why Partner with the Builders Risk Plan Insured by Zurich

About Us

Your course of construction needs are at the center of everything we do! As the exclusive program administrator, we distribute, underwrite and service the Builders Risk Plan insured by Zurich throughout the United States — and we've done so for more than 45 years.

Benefits

- ✓ Instant access without the paperwork — no premium commitment or appointment required
- ✓ Quick and easy proprietary platform to quote, issue and manage most policies online
- ✓ More than four decades of proven market stability and commitment, even after natural disasters
- ✓ Direct access to dedicated product underwriters
- ✓ "A" rated and backed by Zurich's financial security and superior claims handling
- ✓ Robust training materials at usassure.com to assure your success

Product Highlights *(Subject to underwriting guidelines)*

- Residential and commercial risks valued up to \$75M
- New construction, remodeling and installation projects
- Available nationwide on an admitted basis
- Policy options for single structures and high-volume builders, including one shot, reporting form and deposit premium
- Many coverages automatically included with the option to increase limits
- Ability to offer earthquake, earth movement, flood coverage and many other endorsements
- Direct billed with premium payment installment options available
