## About US Assure

US Assure distributes, underwrites and services construction and property insurance products across the U.S. for "A" rated carriers — and we've done so for more than 45 years. Our expertise lies in builders risk coverage, exclusively backed by Zurich. From single-family homes to commercial projects valued up to \$75 million, we've got you covered during construction, from the time the ground is cleared to the installation of the final finishes. Additionally, we supplement this with products for premises liability, vacant structures and rental homes. We offer quick access to our products, provide online policy issuance and expect no minimum volume commitment to get started. For more information, visit [usassure.com](https://usassure.com).

This is intended as a general description of certain types of insurance and services available to qualified customers. Any description of policy provisions is meant to give a broad overview of coverages and does not revise or amend a policy. Refer to the policy coverage form for a complete representation of the scope of coverage, terms, conditions, exclusions and more. The policy is the contract that specifically and fully describes your coverage. Some products may not be available in all states and may only be offered on a non admitted basis. Product availability is subject to change.
