

## Large-Volume Builder Program

### Builders Risk Plan Insured by Zurich

When your client is a big builder, buying insurance for every new start is nearly unmanageable. These high-demand businesses can't be expected to delay opportunities until protection is secured.

How can they efficiently manage coverage for their investments? Large-volume builders\* can purchase one comprehensive deposit premium policy for the entire year from the US Assure Builders Risk Plan insured by Zurich – no monthly reporting required so there are fewer mistakes and minimal administrative duties.

#### Deposit Premium Policy Features and Benefits

- Residential and commercial projects eligible
- Coverage for multiple project types under one policy, including model homes and their contents
- Mitigate chance for coverage gaps or reporting errors
- No restrictions for projects in multiple states
- Available nationwide
- No interest payment options
- Lower premium with exclusive builder credits
- Refunds if fewer projects are started than anticipated\*\*
- Simple renewal process
- Backed by the financial security and superior claims handling of Zurich

#### Builders Only Pay for What They Build

Once a deposit premium policy is issued, all starts that meet our coverage guidelines are automatically protected – no notification to US Assure or their agent is required. The account is audited at the end of the policy term and adjusted to reflect what was actually in the builder's inventory for the year.
